|--------------------------|---|
| <p>Learning Outcomes</p> | <p>At the end of the First Level Academic Diploma Course in Drums and Jazz Percussion students will have acquired specific technical and cultural competences that will enable them to concretize their artistic ideas. To this end special emphasis will be put on the study of the most representative vocal repertoire (popular music) – also ensemble repertoire – and on the study of performance practices, both aimed to develop the students' ability in interacting in ensemble composed of various elements. These goals will also be achieved by fostering the development of hearing perception and memorization as well as acquiring specific knowledge concerning organizational, compositional and analytical music models and their interactions. Specific attention will be devoted to the acquisition of appropriate postural and emotional control techniques. At the end of the Three-Year Course students will have acquired a thorough knowledge of the stylistic, historical and aesthetic general aspects referenced to their specific area. With reference to the type of course students will also possess adequate skills in musical improvisation Furthermore the course is aimed to acquire adequate competences in Computer Music and a second EU foreign language.</p> |
| <p>Career Prospects</p> | <p>The course provides students with the opportunity to work in the following areas: jazz and pop music soloist; jazz and pop bands; jazz and pop orchestras.</p> |
